Let us pray together

Loving Father we remember and ask you to care for children who live in areas where wars are happening. We pray that you will keep them safe and keep families together. We pray that they will be able to access fresh water, healthy food, healthcare, warm homes and schools so that like us, they will have the same opportunity to grow, develop and fulfil their potential. We pray for their communities and ask that they support each other. We pray for a swift end to all conflicts. AMEN

Are you aged between 11-16 and have an interest in the environment and making friends? Why don't you come along to our fortnightly sessions at Upper Helmsley allotment/church and see what we do?

- Support of the allotment at Upper Helmsley Church
- Greening activities e.g. recycling, environmental issues
- Running charity and fundraising events e.g. pop-up cafes, sales
