Heather Dale from Crambe In memory of her late mother Olive Dale

Our thanks go to Richard Shimell, an artist and printmaker, who has kindly given his permission for us to print this lovely image on the cover of our magazine. His work can be viewed on his website, www.richardshimell.co.uk. In addition to that many of his prints can be bought as greeting cards from the shop at the Castle Howard Arboretum where I first discovered his work. Editor

#### From Rev Nigel.....

One of the things I have very much enjoyed since taking up post in the Harton Benefice, is travelling to the various churches and getting to know the area. It has been especially enjoyable when the weather is good, and I can come to services on my motorbike.

I also enjoy photographing places I travel to and I am building up quite а collection of the photos I have taken around the benefice. Of course, it is so easy to do when mobile phones have such good cameras. My Samsung Galaxy mobile has а

particularly good camera, so it means I can achieve fairly good results without having to lug around a full-size camera. Of course, digital photography means one can snap away to the heart's content without having to worry about the cost of development.

I also have a liking for getting amongst the small things in nature, and I can often be found crouching in odd places taking photos of little creatures.

I'm sure as I explore all our churchyards, I will find more and more interesting insects and other wildlife and wildflowers to snap. In the meantime, here are a few photos which I hope you enjoy.

Blessings Rev Nigel

#### My Dear Friends,

When I woke up this morning to find that we had had a power cut I felt a little put out to say the least! How much we take this precious commodity, electricity, for granted. That light on a dark morning, the first cup of tea of the

day, a bath or shower to refresh us after a night's sleep. Today is Monday, so there is the weekly wash, I need to cook, and perhaps do some vacuuming. We need electricity for all sorts of things throughout the day every day. We simply turn on the switch and take the rest for granted and are totally put out when things go wrong and that necessary power isn't there.

It got me thinking, Life is a God-given gift and is precious to us all whoever we are. I wonder how much we take it all for granted, or do we take time to think of where this great gift comes from. I believe God held each one of us in the palm of his hand before we were even a twinkle in our parents' eyes. At conception he breathed life into us, nurturing us in our mother's womb. Then at the given time brought us to life in his image and placed us in a family, a community and the wider world. How much do we take this great gift for granted?

On the day of Pentecost, God breathed new life into the hearts of his disciples and all those who believed in Jesus, he filled them with the spirit of the Risen Christ. God turned on his power within us. Do we take that lifegiving power for granted? Or have we come to rely on the strength which he gives to each of us who asks? Did Jesus not once say, "Ask and you shall receive, seek and you shall find, knock and the door will be opened unto you. For everyone who seeks will find, and the door will be opened to him who knocks".

We are God's children, and he longs to share the whole of our lives with us. He wants to hear about our family and our friends, those things we enjoy and the people and concerns that weigh heavily on our hearts. Have you learnt to talk to him in prayer, found out more about him in the reading of your Bible? Full of pictures and the wonders and promises of our Heavenly Father. A book that can open your eyes and ears enabling you to listen to what he is saying to you, to Look around you and see God's beauty and wonder everywhere and his image in each child of his creation. We all fall short of that image whoever we are, but in Christ Jesus we receive his merciful forgiveness if we can find it within ourselves to say sorry for our misdoings. His unconditional love never changes, it is not turned off if there is a problem, like electricity. In his ever abiding presence in our lives we will find his peace.

His power gives us LIFE in all its abundance. So live life boldly in the power of the Spirit. Invite that Spirit into your life every day, hour and minute that you live. Forgive as you are forgiven by God the Father who forgives all his children, whoever we are and finally, be expectant. The Holy Spirit, that power that drives our life is ever present, free of charge and will never be turned off. With the Almighty God in our lives all things are possible. You too will find that the God who loves us and holds us all, can truly do great things.

So ask God for that life, life in all its abundance and you will know that peace which he longs to give us and which passes man's understanding

With my continual love and prayers

Mayard Unn + CSPH

Benefice PCC.....

The Benefice PCC met on 6<sup>th</sup> June 2023. Topics under discussion included:

- Monthly Ministry Team meetings are continuing through the interregnum and services have been scheduled to the end of 2023
- Benefice finances remain in good order
- Rachael Harrison, Lead for Children and Families, took us through the current position see Rachael's separate report for details
- Parish representatives need to provide more local information to feed into the developing parish profile document which will be used for the recruitment of a new incumbent
- PCC members are undertaking on-line checks for Safeguarding under the guidance of the Lead for Safeguarding, Emma Allen-Goss. There will be an in-person scrutiny of identification documents
- There was a proposal to return to the use of the common cup for Holy Communion in place of intinction. The proposal was well received. A final decision will be made at the next meeting of the Ministry Team

Subsequent to the meeting, a decision was made to return to using the common cup and this was started on 9<sup>th</sup> July. Intinction remains available for those who are uneasy about the change.

A vacancy meeting, to be led by Archdeacon Sam and Bishop John, will be held at Sand Hutton Village Hall on the evening of 26<sup>th</sup> July. This meeting will include representatives of all the parishes as well as the Area Dean and Lay Dean for Southern Ryedale. The purpose of the meeting is to move forward the development of the parish profiles and to discuss the recruitment process.

The next meeting of the Benefice PCC will be at 2.00 pm on Tuesday 19<sup>th</sup> September at Low Ground Howsham.

Lay Chairman

From Rachael Harrison Benefice Children and Youth Worker Children and Families update

As this academic year finally draws to a close and children and school staff alike look forward to hopefully some good weather, rest and enjoyment, it is an apt time to reflect on what we have been doing on the allotment with the Aubergines.

The Aubergines at Sand Hutton School

On 22<sup>nd</sup> April, we were pleased to host Revd. Chris on the allotment and bid farewell to him. It was lovely to be able to take the opportunity to thank him for all his help and support and presented him with his own sweatshirt (see

the photo!). Chris you are now forever an honorary Aubergine! We also presented him with a photo booklet of the allotment at St Peter's which will hopefully serve as a happy memento of his time spent with us.

Following the coronation of King Charles III, Sand Hutton school took part in 'The Big Help Out' on Monday 8<sup>th</sup> May. The Aubergines were delighted to be invited along to join in with this community event. Amazing work was carried out by everyone involved, and the results were fantastic. Well done Sand Hutton school!

We have also held several general allotment sessions, planting, transplanting, weeding and watering as the raised beds start to become productive. The group went for a bike ride during the half term holiday when we finished off some jobs outside Sand Hutton school, called in at the war memorial to learn about ex-Head teacher David Joy, and ended up with a picnic at Bossall in the churchyard.

Our final meeting of this academic year is to be held on Sunday 23<sup>rd</sup> July at the allotment where we are having a BBQ. We are looking forward to being involved in helping out with Crambe church's churchyard tidy; and look forward to welcoming some new year 7's to the group in September.

Unfortunately, we have had to put the Benefice Summer Club on hold for this year for a variety of reasons. Hopefully any families who have previously used the summer club, received an email notifying them that it wouldn't be happening this summer.

Looking ahead, Revd. Nigel and I have met up to discuss how things might look for the children and families moving forward. We very much hope to be able to return to holding All Age Worship services on a regular basis.

The Messy Church team are also meeting again and are pleased to be welcoming two new members to the team. We have a Messy Harvest arranged for October (see flier). We also hope to hold a Messy Christingle in church near Christmas, and possibly a Messy Nativity with a difference.....

Those of you who supported us with our Spud-athon back in April, keep an eye open for an email, letting you know when our Potato Harvest-athon will be happening. Hopefully early September.

Keep an eye on your local notice boards, village Facebook pages/WhatsApp groups, and the newsletter for more up to date information.

If you haven't already joined the Harton Children and Families Facebook page, please do!

#### Summer Holidays

#### **David Fletcher**

We've just had a marvellous holiday in the Fethiye area of Turkey. The staff at the hotel were so kind, and nothing too much trouble, smiley and cheerful, it was so refreshing .....and the families and children so well behaved, enjoying themselves and having great fun. We went all-inclusive to Olu Deniz Beach Resort by Z hotels.

Our room was ground floor and rustic and the chefs cooked the food fresh in front of you. There were animations for the children, aqua aerobics and even show times. The gardens were paradise, with exotic flowers, fountains and colourful shrubs. All in all, a wonderful time. The hotel provided sun loungers on the beach and parasols just 200 yards away. We met some amazing Turkish people from Istanbul as well as people from near the Tigris River in the far East of Turkey all so considerate and kind.

We were blessed to go to Fethiye Community Church and join local Christians. We joined a full day boat trip with stops for swimming and a BBQ lunch and the captain unfurled the sails to catch the wind. It reminded me of the wind of the Holy Spirit and feeling the breeze of God's love in our hearts.

I went on a horse ride and was touched to see the leader's wife looking out into the sunset for our return. They were newly married and such love between them..... 'Welcome back I've missed you' - was the sense she gave her husband, rather like in the Song of Songs in the Bible .....It also reminded me of the Father

God looking out for his prodigal son and running to meet him with such joy.

The atmosphere was so light and blessed from heaven to earth and contrasted so much to the media news and atmosphere in our own country at the moment. So let us pray even more for our land to be blessed from heaven.

Many of us may not be able to go as far as Turkey this summer, but locally, we are blessed to have Coastliner buses to the beaches at Bridlington and Scarborough as well as some beautiful country houses and gardens. These

include Scampston in our own Deanery, with its beautiful grounds and trees, Sledmere and Burton Agnes or even Boynton where William Strickland brought the first wild turkey to Britain from America in the 16<sup>th</sup> century.

As a result, there are carved and painted turkeys all

over Boynton St Andrew's church building. The most notable is on the lectern.

..... so, have a great summer holiday and lots of family fun.

#### 'A Church Crawl'

St Martin's Church, Bulmer

Over the last few months, I have been communion taking in some other neighbouring churches the outside My friend Revd. benefice. Douglas Robinson is currently Rector of the Howardian Benefice. I have now taken communion in all of his churches,

Coneysthorpe, Welburn, Bulmer, Dalby, Terrington and Huttons Ambo, (where I have attended once a month).

It has been a fulfilling and enjoyable experience seeing these lovely churches and supporting Douglas and Bob Rogers who helps in the benefice. (Bob was my first vicar back in the early '80s at St Michael's in Malton).

I attended a service recently in Amotherby when the Street Benefice invited the Howardian Benefice

#### Chris' retirement service at St Botolph's Church Bossall Sunday 30th April

The church was packed and every parish in the benefice represented for a service of Holy Communion and thanksgiving for Chris' ministry over the last nine years. A number of presentations were made to both Chris and Thelma, including a painting depicting all the churches within the Benefice.

Following the service, Sara and George Winn—Darley kindly hosted a farewell party for Chris and Thelma at Aldby Park to which everyone was invited. A lovely opportunity to reflect on fun times, and to wish them a long and happy retirement.

The many and varied roles of Revd Chris!

#### Shoebox Appeal 2023

Our Christmas shoeboxes for Romania will be entering its eighth year this time round and we are enormously grateful for all the support we receive from across the Benefice area and beyond. It's useful to keep this giving in mind so that items can be collected as the months go by.

Our shoeboxes are not just for children. At the request of the partner church in Romania we also encourage supporters to put items in the shoebox which will be gifts for parents and grandparents. We hope to have leaflets about this year's Shoebox Appeal by August 2023 which will then be distributed to households, businesses and schools. The shoeboxes given will be blessed at a Benefice church service prior to their transportation to Romania in early November by AMEN.

AMEN is a registered Charity No. 1057626. You can see more of the work they do by visiting: https://www.amentrust.co.uk/relieving-poverty/romanian-shoebox-appeal/

Very many thanks.

#### If you require more information please contact me, David Fletcher, Tel 07900 998378

#### BOSSALL

St Botolph's main event happened at the end of April. It was the farewell service for Chris Wingfield. This was attended by over 100 parishioners.

It was a beautiful service as well as emotional, as Chris gave his last sermon.

Rachel Baker and Delyth Harran presented both Chris and Thelma with a wonderful framed pencil drawing of the churches in the parish, and a gift voucher and wished them a very happy retirement on behalf of us all.

George and Sara Winn-Darley very kindly hosted coffee / wine and nibbles at Aldby Park after the service - a perfect farewell for the whole family.

The wedding was held at the beginning of July for Mary Anne Mackaness' (formerly Herbert) daughter from Upper Helmsley, which was attended by over 150 guests.

Chris Wingfield has also been back to conduct a wedding blessing on Saturday 15<sup>th</sup> July for Kate Maxwell and Elizabeth Taylor from The Vicarage at Bossall. We had a deluge of rain most of the day, and it even came through the roof into the church which has never happened before! Thankfully we were able to dry the seats and floor before the service!

#### CRAMBE

The main event over the last three months was the coronation of King Charles III and Queen Camilla. George and Millie hosted an afternoon tea party for the whole village at Beck Farm. It was a wonderful and joyous event.

At 5.00 pm on coronation day St Michael's celebrated with 'Ring for the King'. Some twenty of us, old and very young, gathered at the church and took it in turns to ring the bells for almost an hour under the expert guidance of a qualified bellringer. There was inevitably more enthusiasm than expertise, but helped along with a glass or two of fizz we had enormous fun, so much so that two of the children, Jessica and Charles, came back the next morning to ring the bells before our communion service. We hope that may become an established pattern in the future.

We had five services over the period including one Sunday service with the Benefice Choir whose enhancement of our worship is much appreciated.

Having had our Quinquennial Inspection we are now attempting to tackle the startlingly long list of repairs that need to be done. A challenging task.

#### FOSTON

We had a very well attended Coronation coffee morning in Thornton Le Clay village hall. There was lots happening. A Coronation quiche competition was very popular, with lots of delicious entries. Many thanks to the judges and everyone who entered. A Coronation flower area was planted. A wonderful tree painting was created with lots of local residents' handprints as the leaves. Many thanks to everyone who helped make this special event happen.

Our little church will be having some attention. There will be scaffolding erected on the outside of the church as work starts on the fabric of the church. All part of our Quinquennial Inspection report.

#### **GATE HELMSLEY**

There have been several highlights over the past weeks. The most recent was the Strawberry Lunch held at Gate Helmsley village hall on 9<sup>th</sup> July. As well as being a happy and relaxed social event, the lunch raised £700 for church funds, a brilliant result. Thank you very much to everyone who helped in any way – by buying tickets, for the cooking and baking, the setting up, contributing to the raffle and for clearing up.

Another highlight was the service at Bossall and reception at Aldby Park to commemorate and celebrate Chris and Thelma's nine years of service to the benefice of Harton. This was naturally a bitter-sweet day as we were sorry to see them leave, so it is good to learn that they are both really enjoying retirement. Chris's last service with us at St Mary's was a very happy service – as illustrated in the photograph – of Choral Evensong on St George's Day.

Many of you will remember Captain Dick Garnons-Williams, who, with his late wife, Anne, lived for several decades in the Manor House, Gate Helmsley. On 10<sup>th</sup> June Dick reached the ripe old age of 98 years. Michael and Delyth Harran were privileged to be invited to Dick's birthday party which was held at Long Ashton near Bristol where Dick now lives with his daughter. The photograph shows Dick enjoying the celebrations. He sends good wishes to old friends in the Benefice.

Don't forget the two great assets we have in the village. The library meets in the village hall on the second Saturday in the month from 10.00 am to 12.00 pm, with a variety of books and jigsaws to borrow. Thank you to Chris Bickerdike who runs the library.

Also held approximately monthly, the pop-up pub is run by Dan and Claire Sykes. It is very popular, and we are extremely grateful to Dan and Claire, who donate all the profit made - half to Gate Helmsley village hall and half to St Mary's church. Please see the separate notice which gives the dates of future pub sessions.

A couple of things to look forward to in the future:

- Harvest service and supper Thursday 28<sup>th</sup> September. Service in the church at 6.00 pm with supper afterwards at the village hall
- Anna Sawkins is putting on a play in the village hall on Saturday 25<sup>th</sup> November. This will be in aid of St Mary's church
- Save the date: Saturday 2<sup>nd</sup> December for the church Christmas Fayre at Orchard House

Some sadder news to end with. We were sorry to learn of the death of Gillian Playforth, who moved to the village with her late husband and family several years ago. We extend sincere sympathy to all Gillian's family, especially her son, Eric, who lived with her and took care of her in her latter years.

A funeral service was held at St Mary's recently for Michael Brown who lived in the village as a young man. We send our deepest condolences to all Michael's family.

The wild areas in the churchyard have flourished in the recent warm, wet weather. We hope that our heroic churchyard clean-up team will 'spring' into action again this autumn!

#### HOWSHAM

We are all delighted to welcome Reverend Nigel Benson to the Benefice (and his Harley Davidson!)

We have had 3 very welcome weddings this year, all lovely occasions and a great help to our finances.

#### Our annual church and churchyard clean up will be from 2.00 pm Monday 28<sup>th</sup> August followed by a BBQ at the Great Barn.

Harvest Festival will be at 6.00 pm on Sunday 22<sup>nd</sup> October followed by the auction and supper in Church.

#### SAND HUTTON and CLAXTON

How quickly time flies as we seem to jump from one occasion to another, often too busy to enjoy the 'moment'! Holiday season is upon us which does give many of us time to stop and reflect on the beauty of our world whether at home or a holiday destination.

Over the past few months there have been times of celebration for many throughout the country. In May, a village green 'bring and share' tea party was held to celebrate the Coronation of King Charles. Thank you to all those who contributed in different ways to make the occasion special. It's always so good to spend time chatting and catching up with our neighbours!

All age fun!

Our celebrations continued with two weddings...Graham and Rachel's son Stephen, and Nigel and Fiona's daughter, Holly. Thank you to all those who helped to make such a happy and memorable village occasion for both families.

We have also enjoyed two weddings in St Mary's Church, congratulations to Rhys and Jessica and Matthew and Claire.

Thank you to all who give so generously to the food bank. You may be interested to know, that last year 3280 people comprising 2216 adults and 1064 children living in Ryedale, were provided with food etc. Our last donation of 70.3 kilos of food was much appreciated. Please continue to be generous as families struggle more in the school holidays. A reminder that there is a collection point in St. Mary's church and in Claxton on the main street. THANK YOU!

#### Fundraising events:-

Sept 2<sup>nd</sup> Gift Day with Afternoon teas, Sand Hutton Village Hall 2pm - 5pm Nov 4<sup>th</sup> Gifts for Christmas.

A reminder that St. Mary's Church is always open during the day for you to spend a quiet reflective time. Refreshments are always available. You are very welcome to join us at any of our services both locally and throughout the Benefice. Look out for the family/children's activities/services over the next few months also!

Enjoy your summer breaks and keep safe!

#### **UPPER HELMSLEY**

All is well at St Peter's. We have appreciated all the lovely rain for the allotment. The church is getting visitors from walkers and cyclists who we are always happy to see.

Some exciting news! Mari was asked by Archdeacon Sam to speak to the congregation in Selby Abbey at the churchwarden's swearing in on 14<sup>th</sup> June. She spoke about how the allotment has breathed new life into our little church, how we set it up and encouraged the youth group to get established. It was by way of encouraging other churches in the diocese to think creatively about how they can use their church buildings and churchyards in the future.

Archbishop Stephen asked us to invite him to St Peter's to visit the allotment. We will let you know when a date is set.

Mari thanks Rachael and Michael Harrison, Phil Richards, Katie Read, Carolyn Rickleton and the Aubergines for all their hard work and commitment to keep it all thriving.

We are looking forward to the next few months of activities.

#### WHITWELL

A quiet time in Whitwell! We had a lovely, rather emotional final service with Chris at the end of April. Since then, we have had a couple of services taken by our parish celebrant Nigel Benson, assisted by Ian Lyall to whom we are extremely grateful.

In the May benefice service, we had a lovely baptism for Olivia Bolli which was very well attended and it was lovely to see some children in the church.

We had to keep the church locked for a few weeks in May/June and hide the ramps for a while to discourage some young people from using them as a skate park. Many apologies for this inconvenience

Wishing you all a happy summer from Whitwell on the Hill.

#### NEWS FROM OUR SCHOOLS..... Sand Hutton C of E Primary School

My goodness we have had a very busy summer term and we have been blessed to have shared it with our families, and on occasion with Warthill Primary School.

It seems a long time ago now, but the Coronation prompted our parents into contributing to the 'Big Help Out' day. Despite the weather being a little more than damp, families turned out in their crowds to transform our school grounds. As a result of these tremendous efforts, we had woodwork cleaned, planters filled, hedges and plants cut back, willow tunnels woven, play equipment polished and cake eaten. The grounds were sparkling and new and everyone felt proud of the part they played. All staff were incredibly grateful. It was a great day!

More recently we held a summer event as part of a sponsorship attempt and to support a member of staff tackling the Lyke Wake Walk. This time the weather was much kinder and the atmosphere as warm. With welly wanging, beat the goalie, find the treasure and more cake, the afternoon was chilled and fun filled!

We shared a federation event in mid-July. Our Street Festival. The 'pyramid stage' was too large to transport from Glastonbury so we had a cuboid stage upon which there were many performances to remember, from all our children. The day was brought to a close with a disco, outside, and an ice-cream van on the school yard. How lucky are we!

It is always a bittersweet time of the year. While we look forward to a rest during the longer school holidays, we also bid farewell to our year 6 pupils, ready for secondary school. Leavers' Assemblies bring smiles and tears in equal measure. We know that our soon to be Year 7 children will make us proud, as always.

We wish you all a lovely summer and we will return in the Autumn ready to do it all again!

With every best wish Beverley Pawson and everyone at Sand Hutton C of E Primary School.

#### Would you like to join the Harton WhatsApp group?

In order to join this group, you will need to have a smartphone and download the WhatsApp app. To be

included in the group please contact Nigel Benson: 077484 646 470 who will arrange for you to be added.

It is a useful service as it enables members of our parishes via texting, to share personal news, photos, general information, advertising of an event, requests for items or services, and generally a good way of keeping in touch with each other.

It is a positive and supportive group. Unless one is accepted as a member, no one other than those on the group list can access what is posted there - it is a secure site.
