

Harton Benefice

From our Children and Youth Lead

Rachael Tearney

I am passionate about bringing the Gospels to children and families and I hope to provide a range of activities for the benefice designed to bring people of all ages together in fellowship and fun as we share in the wisdom and joy of the Good News.

I have had a varied career in the Arts as a Performer, Producer and Writer. I was brought up in the Church of England, enjoying Sunday School, YPF (Young People's Fellowship 15-18yrs) and Choir and I have always carried faith in my heart. I'm one of four children and our family enjoyed the outdoors including camping, hiking and dog walking. My aim is to provide families with a solid Christian foundation on which they can build their future.

I am a qualified Voice Coach, have taught drama and elocution to all ages, devised shows with children and young people and worked as a Speech & Drama Examiner and Adjudicator.

As well as my work in the Benefice, I run a small events company with my husband, John, creating family & corporate entertainment.

Though I've lived in Yorkshire for ten years now, I grew up in the Cotswolds.
